FOR IMMEDIATE RELEASE

As we quickly arrive upon the 2006 tour season. We are not only getting excited, but as promised, there are changes and surprises for the fans. HELL YEAH!!!

Molly Hatchet has the most dedicated fans in the world. We want to show our appreciation and love to you for all the years of dedication. This tour starts our dedication to you fans.

This tour is going to be one HOT tour. So, make your plans now to attend when a show is booked in your area. Check the [website](#) for dates, as it is being updated almost daily.

This announcement is the first of several that will be coming out over the next few weeks as we start the first leg of the tour.

This press release is officially announcing the opening of the [Official Molly Hatchet MySpace](#). We invite everyone to join and invite his or her friends. We look forward to seeing all of you on MySpace. This is the **ONLY** official Molly Hatchet MySpace profile. This is the **only** MySpace profile that will have input from the boyz in the band. The other [Molly Hatchet](#) profile was put on MySpace by SPV solely to promote the new album, that profile **is not** the band.

There will be other exciting announcements coming over the next few weeks, so stay tuned in to the [Yahoo Group](#), [Official Site](#), official [MySpace](#), [Hatchet Fan Central](#), and [Millennium Design](#).

Best Regards,
